

POLICY FOR OUT OF TOWN VISITORS FOR ADA

If a visitor does not have ADA eligibility documentation from another jurisdiction, we will still provide service. We may request proof of residency, and if the disability is not apparent, documentation of the individual's disability. We will accept a certification by the visitor that he or she is unable to use fixed route transit. This means that we cannot require documentation beyond the visitor's "say so" that he or she cannot use the fixed route system.
